

I hereby accept registration as a member of the Women's Land Army and promise to hold myself available for service on the land for the period of the war in any part of England or Wales where I may be needed, subject to the conditions laid down for the training and employment of the Women's Land Army.

I realise that, should circumstances arise which prevent my carrying out this promise, I must ask the Secretary of the Women's Land Army for the County in which I am then residing for permission to resign and must, on receiving this permission, return my uniform and my badge.
